BENEFITS OF YOGA & MINDFULNESS

In a time of uncertainty & anxiety, yoga is an amazing way for kids to center themselves and come back to a peaceful place. The practice of yoga is designed to strengthen, align, and balance the body, focus the mind, soothe and recharge the nervous system. Students will learn and practice how to move gracefully, breathe smoothly and deeply, sustain their focus and concentration while developing strength, flexibility, mental clarity and emotional stability.

MINDFULNESS YOGA
